### YOU HAVE THE RIGHT TO VOTE

You are entitled to notice of, to participate in, and to vote at the meeting if you were a registered holder of Class A Voting Shares (**Class A Shares**) at the close of business in Toronto, Ontario on March 1, 2022 (subject to the voting restrictions described in the Information Circular). Specific voting instructions are included on the proxy form included with this Notice, which you have received if you are a registered holder of Class A Shares, or the voting instruction form included with this Notice, which you have received if you are a beneficial holder of Class A Shares. If you are a registered holder of Class A Shares or a duly appointed and registered proxyholder and wish to vote at the meeting, please attend the meeting virtually and you will be prompted to vote online at the meeting.

If you were a registered holder of Class B Non-Voting Shares at that time, you are entitled to notice of and to attend the meeting and ask questions, but not to vote at the meeting.

### NOTICE-AND-ACCESS

Rogers is using the "notice-and-access" provisions of Canadian securities rules under National Instrument 54-101 - "Communication with Beneficial Owners of Securities of a Reporting Issuer" (**NI 54-101**) and National Instrument 51-102 - "Continuous Disclosure Obligations" (**NI 51-102**) for distribution of the meeting materials to shareholders. Under notice-and-access, Canadian companies are not required to distribute physical paper copies of certain annual meeting-related materials, such as information circulars and annual financial statements, unless specifically requested. Instead, they may post electronic versions of such material on a website for investor access and review and will make paper copies of such documents available upon request. Using notice-and-access directly benefits Rogers through a substantial reduction in both postage and material costs and also helps the environment through a substantial decrease in the amount of paper documents that are ultimately discarded. Shareholders who have already signed up for electronic delivery of shareholder materials will continue to receive them by e-mail. If you have not signed up for electronic delivery and wish to do so, Rogers encourages you to do so as outlined in this meeting notice, if provided to you, or as instructed on the inside front cover of the Information Circular.

### VOTING CLASS A SHARES

As a registered holder of Class A Shares you have a number of ways to vote your shares. These are detailed on the proxy form included with this package. Unless you participate in the meeting virtually and vote at the meeting, we must receive your completed proxy or voting instructions no later than 2:00 p.m. (Eastern Time) on April 19, 2022. If you are the beneficial owner of Class A Shares, please see "Beneficial Owners (Non-Registered Holders)" in the Information Circular and the voting instruction form included with this package for voting information. Please note that a holder of Class A Shares who appoints a proxyholder other than the management appointees named on the proxy form **MUST ALSO** register such proxyholder with our transfer agent TSX Trust Company after submitting their form of proxy or voting instructions. **Failure to register the proxyholder with our transfer agent will result in the proxyholder (i) not receiving a 13-digit proxyholder control number to participate in the meeting as a proxyholder, and (ii) only being able to attend the meeting as a guest.**

We also encourage you to review the matters to be voted upon at the meeting as described in the Information Circular at [investors.rogers.com/corporate-governance/agm-materials](https://investors.rogers.com/corporate-governance/agm-materials) before voting.

### WEBSITE WHERE INVESTOR MATERIALS ARE POSTED

The electronic copies of investor materials make searching for relevant sections and specific items much easier than finding such information in paper versions of these documents.

Following the meeting, the documents will remain available at the website listed above for at least one year.

**ADMISSION TO THE MEETING**

Once again this year, to proactively deal with the unprecedented public health impact of the COVID-19 pandemic and to mitigate risks to the health and safety of our communities, shareholders, employees and other stakeholders, we will hold our meeting in a virtual-only format, which will be conducted via live webcast. Shareholders will have an equal opportunity to attend at the meeting online regardless of their geographic location.

Registered holders of Class A Shares and duly appointed and registered proxyholders will be able to participate in the meeting, ask questions and vote, provided they are connected to the internet and comply with all requirements set out in the Information Circular. Beneficial holders of Class A Shares who have not duly appointed and registered themselves as proxyholder will be able to attend the meeting and ask questions, but will not be able to vote at the meeting. Registered holders of Class B Non-Voting Shares will be able to attend the meeting and ask questions.
